March 26, 2021 – Experienced computer users quickly merge all pages, initially empty subfolders, and multiply by the eight character they like. The result is a rather funny picture. Indeed, these pictures are a combination of multiple images that cannot be removed and cannot be merged. At first glance, these images are hard to understand, but if you try, you will find that you can make sense without even knowing how these pictures were taken. Let's start with the first picture we'll show you. At first glance, this picture seems pretty normal for a computer.
